Message from the Grand Knight

DEAR SIR KNIGHTS:

It has been three months since my last update on events that happened by the Valencia Council #80. Here is what we have been up to these last three months:

FEBRUARY – 2008

February 09th

Valentine Dinner Dance -The dinner & dance was held at the Bell Tower Room at Sacred Heart Church. We had fifty people attending this event. The comments regarding the food were: delicious, very, very good and wonderful. It seemed that everyone enjoyed the food. Thanks to all our wives for making the dessert tables a success. Everything was delicious and plentiful. Thanks again to everyone who helped decorate; supplied the music for this event, (Barbara Iwanow, Ginny Morrison, Donna and Jeff Nero and my wife Judy). The raffle went over well, Vinny Valestro and guests of the Giblins won the baskets.

Deceased members mass. A good turn out of knights and family members for the mass and the reception afterwards. Thanks again for everyone that participated.

March 07, 2008

Stations of the Cross – A special thanks to Peter and Dennis for leading the Stations of the Cross. Participation by the Knights made this Lenten Season special. Thanks again to all.

March 15, 2008

St. Patrick's Day Dinner – held at the Bell Tower Room of Sacred Heart Church. Was a great success. The food was exceptional; the soup was a nice surprise and received raves, the desserts delicious. The entertainment, what can I say, that has not already been said. The dancers (McInerney School of Irish Step Dancers) were fantastic and one of our fellow Knights, Mike Mullens held it all together with music, jokes and sing-a-longs. Raffle was success, wine baskets donated by the Morrisons and the Burkes. The baskets were won by: Karen Miller- Kapulka and Bill Dillon. Door prizes were won by: Billy Kapulka, Bill Dillon and Helena. Great time, great food, great fun was had by everyone.

March 22, 2008

Easter Egg Hunt: The egg hunt was held at Draper Park from 9-12. There were about 200 plus children that enjoyed finding their specific color and amount of eggs to obtain a prize. I believe all the Knights that participated, enjoyed watching the children have a great time collecting the eggs and even a greater time giving the children their prize for collecting the eggs.

April 26, 2008

Ladies appreciation night was held in Franklin. The theme was Hawaiian. Valencia Council had a great showing, everyone was unHawaiian. You would understand this, if you were there. Next year, come and enjoy the fun.

Look for my next report in June, 2008.

Sincerely,

Jim Burke
Grand Knight
